IRB APPROVED DOCUMENTATION:

Protocol Version: • Standard Operating Procedures for the Adult and Pediatric AIDS Clinical Trials Group Specimen Repository (Not Dated)

Thank you for providing the information required for Chesapeake IRB to conduct continuing review of the protocol.

In addition to the information you provided, the IRB reviewed the current protocol referenced above and other supporting information.

The IRB approved continuation of the above referenced protocol.

A Continuing Review reminder will be sent prior to your expiration date.

Please review the IRB Handbook by accessing CIRBI™ (www.cirbi.net). Log on to your CIRBI homepage (“My Home”) and select the “Reference Materials” tab for IRB requirements and guidance. A copy of the most recent IRB roster is also available under “Reference Materials”.

We look forward to continuing to work with you on this project.
