## DAIDS Corrective and Preventive Action (CAPA) Form for Clinical Research Sites

## Section 1: Incident Identification

| CRS Name |  |
| :--- | :--- |
| CRS \# |  |
| Protocol \#/ (s), if applicable |  |
| Person completing form <br> (Name and Role) |  |

| Date identified |  |
| :--- | :--- |
| Date of occurrence |  |
| Provide a detailed <br> description of site non- <br> compliance. Include PIDS <br> impacted, if applicable. |  |
|  |  |
|  |  |
|  |  |
|  |  |

## Section 2: Corrective Action

| Describe immediate action/s <br> taken by site to correct the <br> non-compliance. <br> Include the name and role(s) <br> of individual(s) involved in <br> implementing corrective <br> action(s). |  |
| :--- | :--- |
|  |  |
|  |  |
|  |  |

## Section 3: Root Cause Analysis

| Describe the underlying |  |
| :--- | :--- |
| reason for the problem |  |
| which if eliminated or |  |
| corrected would prevent the |  |
| problem from existing or |  |
| recurring. |  |
| *(Tools for RCA may include but |  |
| are not limited to: The 5 Why's, |  |
| Fishbone diagram, Scatter |  |
| Diagram, Pareto Chart) |  |
|  |  |

Section 4: Preventive Action

| Describe action/s taken in <br> order to prevent the non- <br> compliance from <br> reoccurring. Please include <br> name and roles of <br> individual/s involved in <br> implementing preventive <br> action/s, if known. <br> Also, include projected <br> date for implementation. |
| :--- | :--- |
|  |

## Section 5: Effectiveness Evaluation

| Describe plan/procedure <br> to evaluate the <br> implementation |  |
| :--- | :--- |
| Date/Timeframe for <br> evaluation |  |
| Name of Person responsible <br> for evaluation |  |

| IOR or CRS Leader Name | Print Name/Signature | Date: |
| :--- | :--- | :--- |
|  |  |  |
